

## **Give Stock to the FNIH**

A gift of stock is one of the simplest and most tax-savvy ways to support the FNIH. Transfer appreciated securities (stocks, bonds) you have owned for at least one year to the FNIH, pay no capital gains tax and receive a charitable deduction for the full fair-market value of your gift. Simply instruct your broker to transfer your intended shares and to notify us once the transfer is complete. The entire transaction can be handled electronically — saving you time and effort.

For information about how to transfer securities, please contact the advancement office at (301) 402-4976 or [advancement@fnih.org](mailto:advancement@fnih.org).

## **Other Charitable Options**

You can also use stock to fund a charitable gift that provides you with life income (such as a charitable remainder trust) or leave stock in your will or living trust to the FNIH. Your legal and tax advisors can help you determine which of these options is right for you.
